Treasurer,

I shall be grateful
for your early observations on (9).

2. The question of local purchase has been
discussed with you on a number of occasions
recently, and I think that the present
circumstances mentioned in (9) leave little
doubt as to the necessity for local purchase.

R.C.H.

for C.S. 29/12

Chief Secretary.

I was not aware that any decision had been taken to re-open the school and unless it has, there would appear to be no point in ordering new equipment now.

2. It is very probable, however, that if the school is re-opened it will be done quickly and that factor favours the request for local purchase. Obviously, however, no funds for purchase can be given to the Director of Agriculture unless the school is re-opened. He could, however, invite tenders for supply of the equipment so that in the event of its being needed he can avoid any unnecessary delay.

3. On a point of detail I notice that 5 dining room benches were destroyed (see the list at (12b) on A/43/38A) while 26 new benches are included in the list at (9a) hereon; also 3 dining room tables are asked for while none are shown in the earlier list. These points need explanation.

Chief Secretary.

Authority is sought for the
local purchase of the furniture etc.,
necessary to equip the new wing of the
Kadoorie Agricultural School.

As the school was originally
furnished by local purchase it is con-
sidered desirable, for the sake of uni-
formity, to obtain furniture of the same
pattern locally.

The Total cost is estimated at
LP.212 for which provision is available
in the current estimates.

It would appear that the articles enumerated represent initial equipment for the Boarding School and I do not consider their cost to be a proper charge to the construction vote under Public Works Extraordinary.

2. You should, therefore, apply for a Special Warrant under a new Sub-Head of Special Expenditure under Head XIII, Tulkarm School, and quote savings from Head XXVIII, Item 9, which the Director of Public Works should be asked to release.

3. Indent No. AG/16 and Financial Allocations Nos. AG/56 and AG/57 are returned herewith.

There is no objection to your applying for a Special Warrant for LP.212 to cover cost of equipment with a saving against our votes but I have ascertained that Treasurer would object to chairs etc. being purchased from your special warrant and also from our building vote.

The procedure should therefore be as follows:-

(a) You should purchase:-

		<u>LP.</u>
<u>Dining room.</u>		
3 large tables @ 2.000	=	6.000
<u>Sick Bays.</u>		
4 bedside tables @ .250	=	1.000

<u>Recreation Room.</u>		
12 Basket chairs @ 1.000	=	12.000
	<u>Total</u>	<u>24.000</u>

and charge this expenditure against F.A. No.130 of 22.5.1934 which I have already issued to you, taking care that the expenditure on this allocation does not exceed LP.24.

You should apply to Treasurer for a S.W. for LP.212 - 24 = LP.188 to cover the balance of equipment to be purchased by you with equivalent savings under Head XXVIII Subhead 9.

URGENTCHIEF SECRETARY.
-----Subject: Furniture - Kadoorie Agricultural
School, Tulkarm.

In view of the possibility of the Kadoorie Agricultural School, Tulkarm, being re-opened before the beginning of the next financial year, - security conditions permitting, - it is necessary to replace in sufficient time the furniture and stores destroyed by fire, as reported in my letter No. AG/15/55 dated the 7th December, 1938.

2. I now submit herewith a list of the minimum requirements which should be obtained with the least possible delay and shall be grateful if your approval may be given for :-

- (1) the local purchase of these articles,
and (2) the submission of an Application for Special Warrant, when the exact amount required is ascertained, to cover the cost of these articles - corresponding savings will be offered under other items of the School votes.

3. I have carefully considered the desirability of ordering most of these stores through the Crown Agents but I have been precluded from doing so by (a) the possibility of meeting the expenditure involved during the current financial year, (b) the quicker delivery of suitably selected and locally manufactured articles, and (c) the economy in cost.

(a) I am directed to refer to your letter dated the 26th December, 1938, regarding the replacement of the furniture and stores destroyed by fire in the Kadoorie Agricultural School, Tulkarm, and to inform you that no funds can be provided for the replacement of the destroyed furniture until it has been definitely decided that the school should be re-opened.

2. It is suggested, however, that you should invite tenders for the supply of the equipment so that in the event of its being required any unnecessary delay in procuring it may be avoided.

3. On a point of detail it is noticed that only five dining room benches were destroyed vide list B enclosed in your letter No. AG/15/55 of the 7th December, 1938, while twenty-six new benches are included in the list accompanying your letter under reply; also three dining room tables are asked for, while none are shown in the earlier list. An explanation of these points will be required before the order can be approved.

Reference: Your A/67/34 dated 25th January,

In explanation of the two points raised in
paragraph 3 of your above-quoted letter, I beg to state
that :-

- (a) The additional twenty one dining room benches
are required to complete the seating
requirements in the various sections and
offices of the School and Farm which have
hitherto been short of such furniture. This
shortage involved frequent transfers from one
place to another resulting in stores accounting
complications and breakages. I am satisfied
that twenty six benches are the minimum
requirements under this category.
- (b) The three dining room tables are required for
replacement of tables which became unserviceable
through fair wear and tear and will be the
subject of inspection by the next Board of
Survey.

2. In the circumstances, I shall be grateful if
the authority conveyed in your above-quoted letter may be
extended to include the two items referred to above.

جناب مدير الزراعة العام المحترم

القدس

المحت . مدرسة خضوري الزراعي في طولكرم

أشرف بان اعز جنابكم انني صاحب مكتبه في طولكرم وقد كنت متعمد لتوريد الكتب والدفاتر لمدرسة الزراعة منذ

تأسيسها الى سنة ١٣٥٠ حيث استلم ادارة المدرسة السيد اكرم الركابي

فاول عمل قام به هذا المدير الذي استلمه المدرسة هو لغا توريد كتاب دروس الزراعة العملية الحديثة تأليف الامير مصطفى

الشهابي الذي كنت طبعته علي نفقتي الخاصة وقد كلفني بابعة مايتي جنيته فلسطيني وذلك نزولا علي رغبة الادارة التي

كانت تعمل قبل مجي هذا المدير وهم التعامل مني بهذا كونه الامر

ففي هذه السنة كلف احمد الشليبي المعروف لدى دائرتكم انه صاحب مشاتل بان يحضره الكتب اللازمة للمدرسة من مصر وعلي

الرغم من انه عجز عن اخطار الكتب اللازمة تماما فقد احضر قسما منها وقدمها للمدرسة باسعار فاحشة فخلا كتابي حديقة

الفاكهة والازهار التي تباع عادة عندى بسعر ٣٥٠ ملا قدمها بسعر ٤٨٠ ملا وكتاب الخضروات الذي يباع عادة بسعر

٤٠٠ ملا قدمه الشليبي بسعر ٦٤٠ ملا وهكذا باقي الكتب واستحضر علي قسم اخر من الكتب بواسطة المعلم سعيد الناجي

بعد مني بخمسين من فتح المدرسة باسعار فاحشة ايضا وفي قسم اخر من الطلاب بدون كتب واضطروا لاخذ بعض الكتب

منى باسعار دون اسعار المدرسة

ان هذا العمل سبب ارهاق الطلاب بالاسعار وتأخير الكتب عليهم ولذلك فاني الفت نظر جنابكم لهذه الأمور

راجيا سوال حضرة المدير

(١) لما اذا اختار التعامل مع احمد الشليبي من انه ليس صاحب مكتبه وقبل منه الكتب باسعار تزيد علي اسعار السوق

(٢) لما اذا (اعتلوا) لم يطلب اسعار هذه الكتب من مكنتي ومن المكاتب الاخرى ويشترى من المحل الذي يقدم

اسعار اخر حرمنا علي مصلحة الطلاب

واقبلوا فائق الاحترام

Zaki Al-Safarini of Tulkarm in a petition addressed to the Director of the Department of Agriculture, (with a copy to the Chief Secretary), states that he has supplied the Kadoori Agricultural School there with books and stationery since it was established and that ^{his} ~~its~~ present principal of the school has stopped the use of a text book which he had published on behalf of the school and has ordered text books through other persons who have other occupations and sold them at higher prices than market prices, which is against the interests of the students. Petitioner requests that the principal of the Kadoori school may be asked as to the grounds on which he acted in this way, which is prejudicial to his interests.

DEPARTMENT OF AGRICULTURE
AND FISHERIES,
JERUSALEM.

15th January, 1942.

Sir,

(29) I have the honour to refer to your letter dated the 23rd December, 1941, in which you make certain complaints about the purchase of books by the Principal of the Kadoorie Agricultural School, Tulkarm.

2. May I remind you that I advised you in my letter of even number, dated the 24th March, 1938, that I was unable to recommend Mustapha al Shihabi's book on Agriculture as an essential text book for the school and, furthermore, that I advised your advocate - Nasri Eff. N. Nasr - on the 17th May, 1938, that the Department is under no obligation to purchase your stocks of this book.

3. Students are not prevented from purchasing books from you. They have their own Committee and the books which were purchased from Egypt were recent editions.

I have the honour to be,
Sir,
Your obedient servant,

D STEDMAN DAVIES
